RBH SOUND'S 1010-SE/R RECEIVES "PRODUCT OF THE YEAR" AWARD FROM ELECTRONIC HOUSE MAGAZINE

DENVER, CO – CEDIA EXPO – SEPTEMBER 6-9, 2007 – SR-15 & BOOTH 180 – RBH Sound, a manufacturer of high performance home audio products was pleased to learn their 1010-SE/R Signature Reference powered subwoofer had received a "Product of the Year Award" from *Electronic House Magazine*.

Cindy Davis, Editor-in-Chief for Electronic House Magazine said, "I am pleased to announce that *Electronic House magazine* has chosen RBH Sound's 1010-SE/R as one of its Electronic House Products of the Year for 2007. Our decisions are based on reviews we ran throughout the year, product demos, and talking with the installers and users of the products".

"We're very pleased to have won this award", said RBH Sound's President, Roger Hassing. "The 1010-SER is a fantastic product, and is deserving of this award; it is the finest subwoofer I've ever heard. I am proud to say that RBH Sound has won the Electronic House magazine's Product of the Year award seven years in a row now. I'm not aware of any other speaker company in the industry that can say this."

The 1010-SER is a Signature Reference powered subwoofer featuring dual 10-inch long-throw aluminum cone woofers powered by a 500-Watt integrated amplifier. The 1010-SER is available in 30 different woodgrain veneers, allowing it to coordinate with virtually any décor. The 1010-SER has a frequency response of 18Hz-180Hz, measures 30"H x 13¼"W x 19½"D and weighs 90 pounds each. The 1010-SER has a suggested retail price of \$2,999 each and it is shipping now.
